Surgery Newsletter - NOVEMBER 2025

PRACTICE WEBSITE

Please take a look at our fantastic practice website:

www.watersidemc.nhs.uk

Here you can find lots of information on our recently finished build and renovation project, as well as important health pathways and information on how to access the services you need.

You can also find information on prescriptions, our practice catchment area and a newly updated 'meet the practice team' page!

Movember

Movember is an annual public health campaign conducted during the month of November aimed at increasing awareness and funding for men's health issues, specifically prostate cancer, testicular cancer, mental health disorders, and suicide prevention.

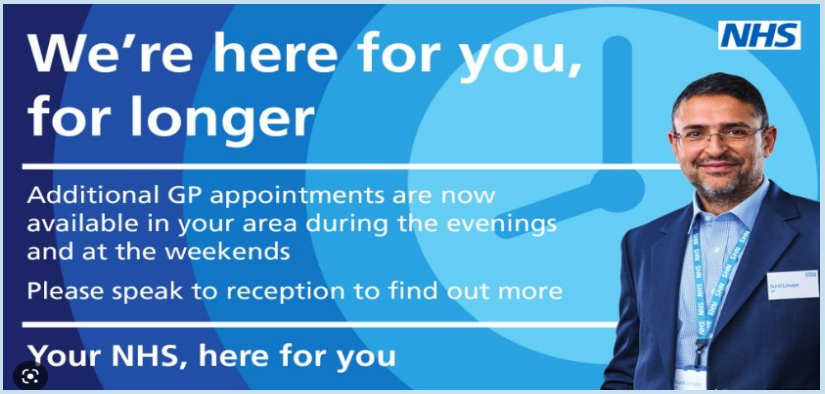

Participants are encouraged to grow facial hair, primarily mustaches, to serve as a visual prompt to initiate conversations and disseminate information related to these health concerns. The campaign also supports research initiatives and clinical programs focused on early detection, treatment, and mental health support services for men.

WATERSIDE MEDICAL CENTRE IS AN ENHANCED ACCESS HUB

Our practice is very pleased to continue offering our patients access to our 'enhanced access' hub through the Leamington North Primary Care Network. This hub offers **a mixture of telephone and face-to-face GP appointments, as well as Nurse and Clinical Pharmacist appointments** available for you to **utilise in the evenings (18:30-21:00) and at the weekend (Saturday 9:30-16:30pm).** If you need an appointment outside of normal hours, please **ask a receptionist** who would be happy to support you with booking an **EA appointment which suits you and your availability**.
